POLICY NO. BP-2-10

TITLE: CATALOG ADHERENCE
SECTION 1. GENERAL

- 1.1 Scope
- 1.2 Authority
- 1.3 Effective Date July 17, 2003

Revised 10/11/12; September 17, 2013; April 24, 2019

STATEMENT

West Virginia Community and Technical College's Academic Catalog contains official announcements of College policies, programs of study and courses offered for the period specified therein. The College reserves the right to repeal, revise or amend the information contained in the Catalog.

Interim Catalog Addenda may be issued during the life of any edition of the Catalog. It is the responsibility of the student to read and abide by the Catalog and any of the subsequent Addenda that may be published. Such Addenda will be available from the Learner Support Services staff in the College's headquarters and from the College's official web site.

Students enrolling at West Virginia Community and Technical College must follow the requirements listed in the Catalog in effect at the time of entry into the College (all requirements are completed within five years). Students have the option of transferring to a later Catalog, provided that they make a formal written request to the Dean of Teaching & Learning and that they meet all requirements of the later Catalog.

This policy does not imply that the College will necessarily continue to offer all courses needed to complete all programs for which students may have enrolled. If a substitution course is needed, a suitable course must be recommended by the Division Chair and approved by the Dean of Teaching & Learning prior to the student enrolling in the course.
